

ROLE PROFILE – LEVERAGED FINANCE ASSOCIATE

LONG HARBOUR BACKGROUND

Long Harbour is an established real estate and asset backed investment manager headquartered in London. It was established in 2009 to help bridge the gap between illiquid asset classes, often with high barriers to entry, and institutional investors seeking to deploy capital into long-term income generating assets.

Long Harbour has a proven track record of AUM growth across its three investment programmes; Secured Income, Multi-Family and Opportunistic.

ROLE OBJECTIVES

Core objective is to work on leveraged finance for existing assets and pipeline opportunities within a growing and ambitious team working in the Build to Rent Sector.

KEY DETAILS

Salary: Competitive package

Experience: Proven strong experience, preferably in the banking environment

Application cut off: 31st October 2020
